

TAAA Main Meeting Directions and Maps

TAAA Monthly Meetings (General and Astronomy Essentials) are typically held at the Steward Observatory Building, room N210, at 933 N. Cherry Avenue, on the University of Arizona main campus.

Driving Directions To Steward Observatory

Directions from I-10: On Interstate 10, take the Speedway Blvd. EAST exit. Proceed east on Speedway about 3 miles. Turn right on Cherry Ave. Go two and a half blocks and Steward Observatory is on the right side of the street.

Directions from the intersection of Campbell Ave. and Speedway Blvd: Drive west on Speedway from Campbell to the first stop light, which is Cherry Ave. Turn left (south) on Cherry and go about two and a half blocks. Steward Observatory is on the right side of the street.
